

INVO Ultra UGR Panel

Brand new to the market, our new INVO Ultra Low UGR panels offer market leading UGR ratings of <15. Offering amazing light distribution and low glare, they are perfect for classroom or office environments. Stylish and non obtrusive, with options such as motion sensors, emergency backup and dimmable controls, this brand new fitting promises to be our most popular LED panel yet.

- > Fully Tp(a) compliant as no polycarbonate lens
- > Ultra low UGR of <15 (low glare)
- > 137 Lumen per watt
- > 3288 Lumen
- > 4000K and 5000K colour (CCT colour changeable coming soon)
- > Modern design
